Palm Villas

Paradise Palm Villas are in close proximity to several gated residential communities. Many educational institutions and shopping malls are within the vicinity of the residential complex.

Located in one of the most promising locations of Greater Noida (West), the development in nearby areas makes it worth living. It is one of the most attractive options in the national capital region that offers best in comfort and quality of living with an attractive price bracket.

Paradise Palm Villas is a low-density project that is spread over lush green spaces. The location offers coherent residential units in a pocket friendly range. This vogue has given the opportunity to small and mid-sized developers to come up with their innovative residential projects.
